Comments

“ Bettylee came into my life at Christ Church when I was about ten or eleven years old. She was so pretty, so sweet and welcoming, and had the voice of an angel. I thought the world and all of her, and have never wavered from that feeling. Many years later she was the one who told me I should teach Sunday School, and I did. Even at the Memory Care Center she was the prettiest one there. Bettylee was a friend to the end, a treasured member of my Christ Church forever family.

“ Unfailingly kind, always smiling, supportive and funny. Bettylee was the gift no one knew they needed but whom everyone appreciated. My thoughts and prayers go out to her family and friends at the passing of such a kind and generous soul.

“ Bettylee, as our dear neighbor for almost 17 years, you truly became part of our family. I am in awe of the love you spread in this world and the rich circle of friends and church family you have. Thank you for always gifting me with a bottle of Post Familie Red, lol. I'll be having a glass and toasting you today!

“ As the mom of your next door neighbor, Angie Gilbert, it was an honor to have met you and to have helped out with your grocery shopping for awhile. I am sure you are content with your fellow angels now. And I so wish this world was filled with kind, gentle and wonderful people like you. I will miss you.
