“ Ernie and Donna, what a shock it was to hear of Emily's passing away. Our hearts go out to you for your loss! She was a beautiful and spiritual woman, full of life and love for everyone. Our whole family was touched by her loving, generous and happy spirit. We have fond memories of her during visits over the years and family celebrations like mom and dad's 50th anniversary party and our son Matt and Sara's wedding. While we didn't see her often, we sometimes spoke at length on the phone keeping up to date on her life. She will be surely missed! Emily, as well as your whole family, will be in our prayers and in our hearts as we grieve with you in the days ahead.

With love and sorrow,

(Aunt) Pat Murphy Waldenmeyer and (Uncle) Paul Waldenmeyer

“ Connie and I are deeply saddened to hear of Emily's sudden and unexpected passing. Ernie and Donna, our thoughts and prayers are with you and your family. Over the years we have kept in contact with Emily and recall many lively and quite lengthy conversations with her. She had a loving heart and shared her concerns for others, always putting their welfare ahead of her own. This was especially evident during the time that she spent with us in our home. We cherish many of those memories and take comfort in knowing that she is now at peace and watching over all of us.

“ Uncle Ernie I am so sorry for your loss of your beautiful daughter Emily. I am so honored to have so many wonderful memories with my cousin. She was such a beautiful, loving person and will be missed so much. We haven't spoken in a while but last we spoke we talked for four hours and had such a wonderful conversation. I just came across an old photo of the two of us the other day when we were at Grandma and Grandpas Anniversary party and she had such a beautiful smile, both of us laughing about something. I will always remember her that way, happy, loving, and very chatty like her Mom. All my love and condolences to you, all of her family and her loving boyfriend. Cousin Amy Waldenmeyer-LaBianca
