“ I was shocked and deeply saddened to learn of Jill's passing. Jill was our first receptionist/administrative assistant in our young business back in 1985. She was with us only a few years, but during that time we became good friends. She came back to visit us often and we always looked forward to catching up with her each time. She was such a wonderful young lady, full of energy and happiness. A perfectionist in everything she took on. Even though I haven't seen her in a number of years, I will miss her and her beautiful smile. Prayers for all her family and friends.

“ Only knew Jill for a short time as her neighbor at Pleasant Ridge, but she was such a pleasant soul that she really made an impact on me. Will miss her much

“ Julie & Family: So thankful to have known Jill in high school. She, Julie and I were on the majorette line and shared many fun times, lots of laughter. My thoughts and prayers are with this sweet family. Wanted to share a verse I cling to daily, Romans 15:13. Hope this will bless you in this difficult time. Judy Price

“ I am saddened with the news of Jill's passing. She was a wonderful classmate. I remember a funny laugh that was more a giggle. I am praying for all the family and for the "little sisters" that she touched in life. May God grant you peace during the days forward.
