“ Jim and Lisa, I just don't know what or how to express my feelings of grief in your time of sorrow. I believe Tom Burgin speaks for all of us with his sentiments. She was a very special lady and I have only pleasant and fond memories of her and her constant and everlasting smile. Your family is in our thoughts and prayers. Don't hesitate to call me if there is anything that I can to assist in the grieving process. Love you guys! Clint and Colleen Gober.

“ I don't believe I've ever had my heart physically ache like it does now. Jimisa was the niece I always wanted and the daughter I never got to have. The memory that stands out most was when I let her use my car to go out cruising with her friends. I know she had a blast. There are so many other memories that are locked away in my heart. She may be gone, but nothing can or will take those memories from me. Jim and Lisa, know how much I valued knowing Jimisa and how much I value our friendship through all these times. Know that I am here if there is anything you need me to do..

“ Jim and Lisa,

I know there are no words that can give you comfort, or give you a day with her alive again. Know I am thinking about you, and would love to speak to you. Any time you want to talk, call me or send an email.

Your Oregon cousin Steve.

“ Jimisa was a very special person, with a beautiful soul and a dear friend of mine since we were just barely teenagers. Words cannot described how saddened I am that she’s left this world. She will be deeply missed! My thoughts and prayers are with Jim, Lisa, Karlee and Anna.

“ Jimisa was always one BEAUTIFUL person. Her sparkling personality and her stunning beauty made her easy to be around, more so than most anyone I ever knew. Jimisa was always so very good to me, and I know she was so good to everyone else. I loved her like she was my own daughter. She will be tremendously missed. My heart goes out to Jim, Lisa, Karlee, and Anna, and the rest of her family. I have an emptiness in my heart right now, thinking of her. She was a wonderful lady!

“ I want to send my sincerest condolences to you all. My heart aches for you in the loss of this beautiful and amazing woman who was so full of life. Even after she found out about this battle she had in front of her, she always had a smile on her face and a reason to continue on with her fun and positive outlook! You girls have such a strong and loving woman's blood running thick through your veins. I know you will be able to overcome much and achieve much more. She will always be looking over you both. I will always cherish the last time I got to talk with her at the Thomas' 4th of July party. Sending all my love your way. <3
