“ Hilde:

So sorry to learn of your loss. "The souls of the just are in the hand of God. They are at peace. God tried them and found them worthy of himself." (from Wisdom, Chapter 3)

“ Hilde/Curry I am so sorry to learn of Bobby's passing. I am unable to attend but my prayers are with the Shelton Family. I have many happy memories of several of the Shelton Family. I think of him every time I see a dead tree. Anytime we were in the car and he saw a dead tree he wanted to stop and sketch it. And of course Charlie's peanut brittle he always made while we were playing games.. I have lot more memories but just know I am thinking of all of you. May GOD wrap his arms around you and give you comfort. Long time Friend Bobbie Carpenter

“ Uncle Bobby was so well loved in this huge Shelton family. He was a rock - the one to always fix anything broken, the first one at the hospital when a family member was rushed there. His artistry was expressed in everything he did - from his paintings to kitchen cabinets to Curry's bed with drawers underneath to the wooden writing pens and pencils he created in his workshop. He joked, he teased, he cajoled with a twinkle in his eye, and though he would mercilessly provoke Aunt Hilde sometimes, we all knew she was the love of his life and there was no one else. My children and I have fond memories of many Samba card games at my mother's kitchen table and Uncle Bobby and Aunt Hilde were almost always there. Because of their influence, all three of my children took German in high school and two were German exchange students. We will miss you greatly, Uncle Bobby, and send our warmest love and comfort to Aunt Hilde and Curry in this difficult time. ...Sharon Cowin and family

“ I have such fond memories of Uncle Bobby. From painting Easter eggs with him,...which was quite a treat! Who knew you could decorate eggs other than dipping them in dye? To him patiently teaching me German dances, or the little hand carved doll bed and shadow box he made me when I was too young to appreciate the love behind it. I still tell the M.R. Ducks joke to my nieces and nephews. But,...most of all,...I remember so many relatives sitting around my Grandmother's kitchen table drinking coffee,...playing Scrabble,...telling jokes,...and sharing stories. It's an era I miss tremendously. Please know,...as giving as he was,...he was much loved in return!

“ Aunt Hilde and Curry,

Please know that I share your grief at Uncle Bobby's passing. He was always so good to me, doing nice things for me when I was a child, visiting me when I was at school in Fayetteville, and helping me and Susan with remodeling. I'm so sorry I didn't get to visit with him more toward the end. But he suffers no longer.

I have always loved this picture of him, and it brings back so many wonderful memories!

Love and peace to you both.
